### **3.0 YOUR PRIVACY**

3.1 Your privacy and security is important to African Alliance. Read *Terms 25 to 33* for information (the 'Privacy Statement' component) about how African Alliance handles the information you provide it when you use one of our Online Sites.

### **4.0 AFRICAN ALLIANCE'S MAIN SITE: PRODUCT INFORMATION AND INSURANCE PURCHASE AND RENEWAL**

#### 4.1 MAIN SITE CONTENT

4.1.1 The African Alliance Main Site contains both information of a general nature about African Alliance and African Alliance's products and services, and also enables you to purchase or renew and pay for some insurance products and services online.

4.1.2 The African Alliance Main Site also enables you to lodge and manage certain claims online as well as manage certain African Alliance insurance policies online using African Alliance's online tools at the self service part of the Main Site ("**African Alliance's Online Tools**")

subject to these Online Terms, including the specific terms of use for African Alliance's Online Tools set out in *Term 6*.

#### 4.2 COMPLETING TRANSACTIONS ON THE MAIN SITE

4.2.1 When entering into a transaction via the Main Site, whether it be the issuance of an insurance contract, a renewal payment, or a transaction relating to any other product or service, the transaction will not be completed until an "**Electronic Instruction**" (being any electronic instruction, information, message, request or communication issued or transmitted to African Alliance via the Main Site) containing the acceptance from you to African Alliance's offer, or the confirmation of payment from you, whichever is applicable, has been received and processed by African Alliance, and any specific steps or requirements as set out in this *Term 4*, have been complied with.

4.2.2 You acknowledge that the transmission of your acceptance or the confirmation of any payment, made through an Electronic Instruction, may not be received by African Alliance in accordance with this *Term 4* for reasons beyond either parties reasonable control including, but not limited to, mechanical, software, computer, telecommunications, or electronic failure, or the omission or failure of third party service providers or systems.

4.2.3 You further acknowledge that, to the extent permitted by law, African Alliance is not liable to you in any way for any loss or damage at all and however caused, arising directly or indirectly in connection with the transmission of an Electronic Instruction through the Main Site, or any failure to receive an Electronic Instruction for whatever reason.

#### 4.3 PURCHASING INSURANCE POLICIES

4.3.1 Where the Main Site enables you to purchase insurance products or services online:

(a) The parties may enter into an insurance policy using the Main Site by African Alliance making an electronic offer via the Main Site and you electronically communicating your acceptance of that offer via the Main Site to African Alliance;

- (b) African Alliance may act on and process all completed Electronic Instructions transmitted or issued through the Main Site without further consent from or reference to you; and
- (c) African Alliance may treat an Electronic Instruction as authentic and is under no obligation to investigate the authenticity or authority of persons issuing or transmitting such Electronic Instructions, or to verify the accuracy and completeness of such Electronic Instructions.

4.3.2 Creating a binding insurance contract with African Alliance via the Main Site is a two-step process:

- (a) The first step is to create a quote for the insurance product you are interested in and have selected. Upon completion by you of all required details, the Main Site will provide you with a quote, identified by a quote number; and
- (b) If you wish to purchase insurance in accordance with a quote provided to you by African Alliance via the Main Site, then, upon completion by you of all required details, step two enables you to accept that quote and create a binding insurance agreement with a corresponding African Alliance policy number.

4.3.3 When entering into a contract via the Main Site, you will be taken to have communicated your acceptance to an offer of insurance from African Alliance only when:

- (a) The Electronic Instruction containing the acceptance from you enter and is recorded in the main African Alliance database (referred to in *Term 4* as "**Relevant Database**");
- (b) A record is created and stored in the Relevant Database;
- (c) An African Alliance policy number is generated by the Relevant Database; and
- (d) African Alliance receives all required details of a current and valid payment card or current and valid financial institution account number (in either case a card/account which you are authorized to use and which is of a card/account type accepted by African Alliance), and to which African Alliance is able to charge/debit the premium.

- 4.3.4 Some African Alliance insurance policies available through the Main Site may offer a deferred payment option. Where this option is available and selected by you, *Term 5.3* of these Online Terms will additionally apply.
- 4.3.5 If you elect to pay your premium by instalments then you may be able to select the particular day of each month (or other instalment period) on which your payment card or financial institution account number will be automatically charged/debited for the relevant payment. If you elect to pay your premium by instalments the additional terms and conditions applicable to that payment arrangement will be made available to you as part of your policy documents (whether by way of Product Disclosure Statement, Supplementary Product Disclosure Statement and/or a Direct Debit Request Service Agreement), as well any relevant insurance purchase or variation transaction.
- 4.3.6 A binding insurance contract is conditional on African Alliance being able to successfully charge against your nominated payment card or debit your financial institution account number, and African Alliance receiving payment of your applicable premium (either by a single payment or where permitted in instalments).
- 4.3.7 Where a transaction is entered into between African Alliance and you via the Main Site, a policy number will be issued by African Alliance via the Main Site. However, a binding insurance agreement is not conditional on the issuance or receipt by you of a policy number but is conditional upon African Alliance receiving your premium payment or your current and valid payment card (or financial institution account number) details and a valid policy commencement date election and if you elect to pay by instalments a valid direct debit day election. Therefore, the failure by you to receive a policy number via the Main Site does not invalidate or otherwise prejudice the existence of an insurance contract or transaction entered into using the Main Site.
- 4.3.8 African Alliance may or may not issue a paper confirmation of the insurance policy. The existence of a binding contract is not conditional on African Alliance issuing, or you receiving, a paper confirmation of the transaction.

4.3.9 You are responsible for ensuring that you receive a policy number and should contact African Alliance if one is not received.

4.3.10 Where you only complete a quote on the Main Site and select an alternate payment option (meaning not a payment card payment online or a financial institution account debit payment or a "deferred payment option" referred to in *Term 5.3*), a binding insurance agreement is not created. Instead, you will need to make payment via an alternate option.

4.3.11 When paying by an alternate payment option, a binding insurance agreement will only be created once African Alliance receives your full premium payment, or when African Alliance receives your first premium instalment if we have offered this payment option to you and you have agreed to pay us your premium by instalments.

#### 4.4 RENEWAL PAYMENTS

4.4.1 The Main Site may offer an online facility for renewal payment of certain African Alliance insurance policies with selected payment cards.

4.4.2 The policy renewal notice will indicate whether online renewal payment is available.

4.4.3 When the renewal payment facility is available, an online renewal payment can be made by following the "Renew Policy" link on the client portal.

4.4.4 When making a payment for a policy renewal via the Main Site, you will be taken to have renewed that policy only when:

(a) The Electronic Instruction containing the policy number, premium amount due and payment card details, and an instruction from you to renew the policy, enters and is recorded in the Relevant Database;

(b) African Alliance receives all required details of a current and valid payment card which you are authorized to use, which is of a payment card type accepted by African Alliance, and to which African Alliance is able to charge the premium;

(c) A record is created and stored in the Relevant Database;

(d) An African Alliance receipt number is generated by the Relevant Database; and

(e) The Relevant Database is updated with information from the payment database.

4.4.5 A binding insurance contract is conditional on African Alliance being able to successfully charge against your nominated payment card and African Alliance receiving payment of all applicable renewal amounts due for the policy (or policies) being renewed (either in a single payment or where permitted in instalments).

4.4.6 Where a deferred payment option is available and selected by you, *Term 5.3* of these Online Terms will additionally apply.

4.4.7 African Alliance, at its discretion, may or may not issue a paper confirmation of the renewal payment. The existence of a valid payment is not conditional on African Alliance issuing, or you receiving, a paper confirmation of the transaction.

## **5.0 AFRICAN ALLIANCE'S MAIN SITE: PAYMENTS**

5.1 All payments for any insurance products, renewals, amendments, claim excess payments or other services purchased via the Main Site (including additional premium or other payments which arise from policy amendments made using African Alliance's online tools, as described in *Term 6.6*), must be paid in full by clear funds by the due date specified in the relevant confirmation.

5.2 Except as specifically set out in terms 5.3 or 5.4 below, and unless provided for otherwise, all payments referred to in term 5.1 above are to be made by permitted payment cards (or permitted financial institution account debits, as relevant) at the time of purchase, renewal, amendment or claim excess payment (as the case may be) in relation to the applicable AFRICAN ALLIANCE policy or service.

In the case of a payment card transaction, you must therefore provide to African Alliance details of your permitted current and valid payment card, including:

(a) Payment card type;

(b) Name on payment card;

(c) Payment card number;

(d) Card verification value (CVV); and

(e) Expiry date.

In the case of a financial institution account debit, you must provide to African Alliance details of your permitted current and valid financial institution account, including:

(a) The name of your financial institution;

(b) The full name of the account holder; and

(c) The account number and its Sort Code.

5.3 When you purchase or renew some African Alliance policies that are available through the Main Site, you may be offered a deferred payment option. Where this option is available and selected by you, African Alliance will, in accordance with these Online Terms and the relevant Product Disclosure Statement and terms and conditions of the applicable African Alliance product or service, issue you with insurance cover (from the cover start date you select) and an account for the full insurance policy premium. Full payment must be made in relation to such insurance cover in accordance with the account payment notice sent to you, and Product Disclosure Statement and the terms and conditions of the applicable product or service, which will always apply. Failure to pay in accordance with these requirements will result in potential cancellation of insurance cover, as permitted by law.

5.4 If you amend your African Alliance insurance policy using African Alliance's online tools such that an additional premium or sum is due, then you may be offered a deferred payment option. Where this option is available and selected by you, African Alliance will, in accordance with these Online Terms and the relevant Product Disclosure Statement and terms and conditions of the applicable African Alliance product or service, send you an account for any additional premium or sum due in relation to the policy amendment(s) selected by you. Please contact African Alliance if you do not receive this account. Full payment must be made in relation to such policy amendments in accordance with the account notice sent to you, the Product Disclosure Statement and the terms and conditions of the applicable African Alliance product or service. The amendment to your

policy will take effect on the date the amendment is processed via African Alliance's online tools. However, if you fail to pay the additional premium or charge within the designated period, as stated on your account or otherwise advised, the applicable addition or amendment to your policy for which payment is not received will be cancelled, in accordance with the Product Disclosure Statement and the terms and conditions of the applicable African Alliance product or service.

- 5.5 If you pay your claim excess using African Alliance's online tools your payment will be processed in accordance with these Online Terms, the relevant Product Disclosure Statement and any other terms and conditions specific to the particular transaction. If you fail to pay your applicable claim excess, whether via African Alliance's online tools or through another payment method we offer, we may not provide you with the cover or policy benefit you have claimed for. Refer to the relevant Product Disclosure Statement and your Policy Schedule for more information about your claim excess.
